submits the Government Horticultural Farm and another to the Govt Fruit orchard at Krishnarajasagar for training in the Vegetable and fruit lines respectively. The Supt. proposes to submit separate proposals for their absorption at the end of the period of probation.

As regards the selection of candidates for the above two posts, he recommends the names of messrs S. Narasingarao and V. Premsingh who are both BSc's (Hons) with Botany as their main and adds that he has interviewed them and found them suitable for carrying on research work.

The first candidate Mr. S Narasingarao is reported to have undergone training in horticulture and specially in fruit culture for a period of nearly one year at the Govt Gardens Lalbagh, Vegetable farms and fruit orchards in addition to his working in the Agricultural Laboratory for some time. The other candidate Mr. [redacted] Singh is reported to be studying now for the MSc degree in Botany in the Central College Bangalore

C.R.B.

Submitted.) The two appointments, under reference, of Probationers, to be made in the Gardens Dept., on a pay of Rs 40/p.m., with a view to their eventual absorption in the Cadre of overseers, (vide G.O. 7K H) are clearly non-gaz. appts. in the Subordinate ranks of the Dept. in the Superior Service. The (non-gaz.) C.R.B. Rules apply to all appts. (executive and ministerial) in the Subordinate Services of Govt. in the Superior Service: (vide Rule 1 of the Revised C.R.B Rules: 7K F).

8) As such, these two

over the appts. of Medical Profs. Pay Rs 80) come under the C.R.B. Rules. Appts. of Asstt. Profs. in the Subordinate ranks have to be made C.R.B.

F

WD 03594—GPB—30,000—18-7-35

appts to be made come clearly under the operation of the C.R.B. Rules and have to be dealt with accordingly, i.e, these vacancies have to be duly registered & classified & reported to the C.R.B. by the Unit Office, (i.e, the Supt. Govt Gardens) for advertisement requiring a Univ. degree, in Botany & These appts come under class I, & are for disposal after advertisement of the vacancies as per Rules: (vide Para 12 of the C.M of Instructions: I E).

10) These being executive appts, the ~~Concerned~~ vacancies should be entered in the Vacancy Regr for executive Service, classified as per Rules & reported in the "A" Statement to the C.R.B for advt in the Gazette. So far as this Unit is Concerned, these two vacancies will be the second & the third in the Series, (there having been only one in the Regr, so far, in the executive Series), & will therefore be both "Special", reserved for backward communities.

11) ~~The cases of the two~~ ~~applicants~~ Their have been. Candidates proposed now by the ~~Supt~~ Gardens Dept, ~~are without reference~~ to C.R.B. Rules ~~is not at all~~ eligible in a "Special" vacancy & cannot therefore come for this appt. The other person, (mr N. Prem Singh) is a backward Community Candidate ~~but he is not yet~~ and is qualified & eligible for appt. But he is not yet a

TELEGRAPH :—HORTI.

All communications to be addressed to the Superintendent.

Mr M.K.Sitaram chetty, L.Ag.,
Offg *Superintendent.*

OFFICE OF THE SUPERINTENDENT,
GOVT. GARDENS IN MYSORE.
LAL-BAGH, BANGALORE, S. INDIA.

Dated.....13th..February.....*193*6.

From

M. K. Sitaram Chetty, Esqr., L.Ag.,
Offg. Superintendent,
Govt. Gardens, Lal-Bagh, BANGALORE.

CHIEF SECRETARY.
13 FEB. 1936

ff 2-35-16

To

The Chief Secretary,
Government of Mysore,
BANGALORE.

S i r,

Flag H.

With reference to Govt. Order No. E 2169-70 dated 8-2-36 sanctioning the appointments of two probationers on a pay of Rs. 40/- per mensem for the Subordinate services in this Department and calling for proposals for their training etc., I have the honour to state that as some men with good knowledge and training will be required shortly to take up work in connection with the improvement in the varieties of vegetable and fruit plants, it is proposed to give some practical training in the above lines in addition to a general training in Horticulture and with this object in view the following programme of training is proposed for the approval of Government.

Both these probationers to work in the Lal-Bagh nursery for the first two months; for the next four months, one probationer to be sent to Government Horticultural Farm and another to Government Fruit Orchard at Krishnaraja Sagara for training in the vegetable and fruit lines respectively. At the end of the period of their probation, separate proposals will be sent up for their absorption.

As regards selection of candidates, for the above posts, the following candidates who have been found suitable by me are proposed to be selected:-

1. S. Narasinga Rao, B.Sc., (Hons) Botany (main)
This individual has undergone satisfactory training in Horticulture and specially in general fruit culture for a period of nearly one year at the

the Government Gardens, Lal-Bagh, Bangalore,
Govt. Vegetable farms and fruit orchards.
He has also worked in the Agricultural Laboratory
for some time.

2. N. Prem Singh, B.Sc., (Hons), Botany (main),
This individual is studying now for the M.Sc.,
Degree in Botany in Central College, Bangalore.

The above two candidates have been interviewed by me and I am satisfied with their qualifications, etc., as to their suitability for appointment and their abilities to carry on research work. Government are requested therefore to kindly approve of my proposal.

I have the honour to be,
Sir,
Your most obedient servant,

M.K. Krishna Rao,

Lal - Bagh,
BANGALORE.

SS-2-35-18

Sir,

I am a graduate of the Mysore University. I passed in First Class the B.Sc.(Hons) Examination of 1935 with Botany as my main subject and Zoology and Genetics (plant breeding) as subsidiary. I also secured a First Class, in my Intermediate Examination, in fact the only First Class as yet in Natural Science in the Bangalore Intermediate College. I was a subject scholar during my stay in the Central College and after graduation acted as a demonstrator in Botany for some time. At present I am working as a research student in the Botanical Section of the Agricultural Department,- the subject being Hybridization of Cotton. I hereby apply for a post in the Department of Horticulture. I beg that my case may be favourably considered.

CHIEF SECRETARY

DEPARTMENT OF BOTANY

M A.Sampathkumaran,M.A.,Ph.D.
Professor of Botany

Central College,
Bangalore.
February 14 1936

I have known Mr.T.Thathachar for the past seven years. He took a First class in the Intermediate examination. On account of his excellent performance in Botany he was selected for the Botany B.Sc. (Hons.) course. In the last two years of the course he was the subject scholar having stood first in the class examinations. In the final degree examination his performance was very good and the Board awarded a First class and the first place to him. His optionals are Botany and Zoology with a special paper in Genetics. Both in the class room and in the field he has shown utmost willingness for work and originality in obeservation. He is a hard working young man.

Recently he was selected to act as a Demonstrator in a temporary vacancy in this Department, and he is also working as a part time Demonstrator for teaching Biology to the L.M.P students.

Mr.Thathachar is a good gymnast and an honest scout. He has played for the College team in hockey

His conduct and character are excellent. He will make a good research worker and an able officer.

DEPARTMENT OF AGRICULTURE, MYSORE STATE.

Dr. V.K.Badami, L.Ag:, Ph.D.,
Deputy Director of Agriculture.

Bangalore
14th Feb. 1936.

The bearer Mr. T.Thathachar, B.Sc.(Hons.) is at present working in our Laboratories as a research student and taking an active part in the breeding work on important commercial crops. He is a brilliant student of the Mysore University where he has taken the first place in the first class in Botany. I find him an enthusiastic and a hard working student who can be relied on for independent work. He comes out of a respectable family and bears a good and amiable character. I wish him all success in life.

Dated. 9th June 1932.

Mr.P.K.Vyasaraj Rao is well known to me for the past five years as a student of Intermediate and Central College Bangalore. During the Last B.Sc (Hons) Examianation he secured very good marks in the Major and the correlated subjects (Botany and Bio-chemistry) and thus got a pass in the First Class. His educational career has been through but good. He is an intelligent and industrious young man with an ardent love for the subject and the literature pertaining to it. He has got very good power of expression at his command. I am confident that all the above qualities will make him fit for any walk of life in the technical fields of Botany Agriculture and Bio-Chemistry.

He has got a genial temperament and his character is excellent.

I wish him every success in life.

Sir,

I Being given to understand that two probationers would be appointed for the government Botanical gardens (Lal Bagh), Bangalore, I submit this, my application for the same.

I, the undersigned B. S. Krishna murthy, am a graduate of the Mysore university having passed the B.Sc. (Hons) examination held in March 1935. My optional subjects were Zoology (major) and Botany (minor). I am now 23 years old, and am a Mysorean both by birth and domicile. With my knowledge of Biology combined with my young and energetic activities, I hope to work to satisfaction if I am given a chance. My father, Mr. B.H. Sonappa, is an ex-stamp vendor in Malleswaram. I am a Brahmin

I request you to kindly recommend my case to the authorities concerned so that I might stand a fair chance to be appointed as a probationer

Bangalore,

2nd January 1935.

I have known K. R. Sreenivasan, B.Sc., (Hons.) for the past five years. His good performance in the intermediate Examination got him a seat in the Honours Class. In 1933 he completed the B.Sc. (Hons.) course and was placed in Second class in the Degree Examination. He is an intelligent and ardent worker. He has good training in Cytology, Morphology and Genetics and is capable of initiating research work.

As a Secretary of the College Botanical Society and also that of the Botanical Excursion parties, he has given me entire satisfaction.

His conduct is praiseworthy and character excellent.

I recommend him strongly to any institution where research work is conducted.

Sir,

I am a graduate of the Mysore University. I passed in First Class the B.Sc. Honours Examination of 1935, with Botany as my main subject and Zoology and Gehetics (Plant Breeding) as subsidiary. I also secured a First Class in my Intermediate examination, in fact the only first class as yet in Natural Science in the Bangalore Intermediate College. I was a subject scholar during my stay in the Central College and after graduationlacted asaDemonstrator in Botany for some time. At present I am working as a Research Student in the Botanical Section of the Agricultural Department, the subject being Hybridization of Commercial Crops. I hereby apply for the post of a Probationary Overseer in the Gardens Department. I beg that my case may be favourably considered.

Central College,
Bangalore.
February 14,1936.

I have known Mr.T.Thathachar for the past seven years. He took a first class in the Intermediate Examination. On account of his excellent performance in Botany he was selected for the Botany B.Sc.Honours course. In the last two years of the course, he was the subject scholar, having stood first in the class examinations. In the Final degree examination his performance was very good and the board awarded a First class and the first place to him. His optionals are Botany and Zoology, with a special paper in Genetics. Both in the class room and in the field he has shown utmost willingness for work and originality in observation. He is a hard working young man.

Recently he was selected to act as a Demonstrator in a terporary vacancy in this Department and he is also working as a part time Demonstrator for teaching Biology to the L.M.P. Students.

Mr. Thathachar is a good gymnast and an honest scout. He has played for the College Team in Hockey.

His conduct and character are excelllent.

He will make a good research worker and an able Officer

Sir,

Adverting to the Notification No.E.2658 G.S.2-35-24 dated the 1st April 1936 in the Mysore Gazette calling applications for the post of Probationary Overseers, I beg to offer myself as a candidate for the same and to state the following particulars for your kind perusal and favourable consideration.

I am a Graduate in Botany. I served for one year as a Probationer in the Sri Chamarajendra Zoological Gardens making a practical study of the natural history of the animals and birds in captivity and indirectly Gardening. I have also looked after the current duties of the Superintendent for some time. I am employed in the Palace Service and working at present in the Mysore Races. I am aged 30 and belong to Hindu Madhva community. I possess good physique.

I have a great liking for scientific studies and have a special aptitude for Botanical subjects and their practical utility in Horticulture and Economic Botany. Being a student of Biology since my Secondary School studies, I have a long cherished hope to serve either in a Botanical or Zoological Garden. If I am given a chance, I am confident of discharging the work entrusted to me, carefully and competently, to the entire satisfaction of my superiors.

I pray that I may kindly be selected as one of the Probationary Overseers in the Government Gardens Department.

I beg to remain,

CHIEF SECRETARY.
15 APR. 1936

The Chief Secretary to the Government of Mysore,
General & Revenue Secretariat,
BANGALORE.

Dear Sir,

I have much pleasure to forward herewith an application from H.S. Subba Rao, who is at present employed as our Horticultural Overseer, and in charge of all the gardens laid out on the mill site of the Mysore Sugar Company.

Mr. Subba Rao is a gold medalist and has all the qualifications asked for in the advertisement in the Mysore Gazette of the 2nd April 1936.

We have been very well satisfied with the work Mr. Subba Rao has been doing here, and although we would be very sorry to loose him, we would not stand in his way, if it was possible for him to obtain a Government appointment, this being a private company, the employees of which do not enjoy those privileges, Government employees have.

Yours faithfully,
THE MYSORE SUGAR COMPANY, LTD.,

The Mysore Sugar Company,Ltd.,
M A N D Y A.

Dear Sir,

In response to the advertisement in the Mysore Gazette dated 2/4/36 inviting applications from the Honours Graduates in Botony for appointment as probationary overseers in the Garden Department, I beg to bring the following few lines for your kind consideration.

I was a probationer in the Gardens Department in the year 1933 and was working as an assistant to the supervisor. During that period I was taken by Dr.Coleman to the Agricultural Department in anticipation of introducing Horticulture at Ramakrishnapuram Agricultural School and I was permitted by the superintendent to join there, as I was also qualified in Agriculture. After keeping me there for a month or two in an acting vacancy, was deputed to the Mysore Sugar Company,Ltd., Mandya, as an Horticultural Overseer. Here I am in independent charge of laying out gardens in the residences of officers, planting trees and making lawns in the colony.

As regards my qualification I beg to state that I am a Diploma Holder of the Lalbagh Horticultural School and a passed candidate of Ramakrishnapur Agricultural School. It will not be out of place here if I mention that I have stood first in both the courses and I have been awarded prizes by Dr.Coleman for general efficiency and practical agriculture.

I posses all the qualifications required for a garden overseer. I have been trained and examined in Botony and other allied subjects connected to Horticulture as can be seen by the statement of marks enclosed herein.

Considering my qualifications and services that I have already put in, Irequest you to kindly consider my case along with other applicants and provide a lien in the Department.

I have herein enclosed copies of testimonials for your kind perusal.

I beg to remain,
Dear Sir,
Your most obedient servant.

57

Mr.M.K.SITARAM CHETTY,ESQ,
OFFICIATING SUPERINTENDENT,

GOVERNMENT BOTANICAL GARDENS,
BANGALORE, DATED ...

This is to certify that Mr. S.Narasinga Rao, B.Sc.(Hons) Botany and Zoology) has completed his training in Horticulture at the Government Botanical Gardens, Bangalore. He has acquired a fair knowledge of the principles and operations of general - gardening including its pests and diseases and his mastery over the technique of nursery operations of both ornamental and - - vegetable gardens is in my opinion perfect. He is also well-versed in the different aspects of farm-yard technique such as cultural and manurial experiments, seed testing, varietal plot-testing, Hybridization etc.

He has visited almost all the important fruit orchards in the State and is now making a special study of fruit culture.

He is a highly intelligent and practical student and I can confidently say that given an opportunity, his services should prove of exceptional value. It is indeed a pleasure for me to recommend this young man and deserving man for a suitable place in the Departments of Horticulture in any one of the several - Native States.

His character and conduct are exemplary.

(Sd) M.K.Sitaram Chetty,
Officiating Superintendent.

Central College, Bangalore.

Dated 13th June 1932.

Mr. S.Narasinga Rao was a student of Central College, Bangalore. He has passed the B.Sc. (Hons) Examination of the Mysore University in Botany - creditably in the Second class. He seeks to be selected as a candidate to under-go training under the Sugar Technologist, Harcourt Butler Institute. Cawnpore. He is possessed of a robust constitution and takes interest in athletic sports. He has also got a special aptitude for handling machinery. His conduct and character are excellent. I strongly recommend his selection.

Sd. Frank. R.Sell.
M.A. (Oxon) J.P.,

Principal,

Department of Botany.

M.A. Sampathkumaran M.A.,
Ph. D., (Chicago)
Professor of Botany.

Central College,
Bangalore,
June 13, 1932.

I have known Mr. S.Narasinga Rao. B.Sc. (Hons) for the past five years as a student in this Department. In the recent B.Sc., (Hons) Degree Examination he has taken a Second class and stands third in order. He is an intelligent and energetic young man with plenty of enthusiasm for work. He is the Secretary of the newly started Botanical Society in this - Department. He wants to get special training in Sugar Technology in Cawnpore. I recommend his case for favourable consideration. He has robust constitution and courteous manners.

Sd. M.A. Sampathkumaran,

Professor of Botany.

OFFICE OF THE DIRECTOR OF AGRICULTURE,

Bangalore ...14th April..... *1936*

FROM

B. NARASIMHA IYENGAR, ESQ., B.A., PH.D.,
DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

CHIEF SECRETARY,
15 APR. 1936

TO

A. V. Ramanathan, Esq., B.A.,
Chief Secretary to the Government of Mysore,
BANGALORE.

SIR,

I have the honour to forward herewith for favourable consideration an application from Mr.G.Srinivasaiyengar, M.Sc., at present employed as Field Assistant in the "Red Leaf Scheme, connected with the Indian Central Cotton Committee, for the post of Probationery Overseer in the Gardens Department.

Mr.Srinivasaiyengar has worked in this Department in the Sandal Spike Investigation work and is a thrown out official consequent upon the stopping of the investigation work by Government in their Order No. G.8173-F.T. 312-33-1 dated 6-6-1934.

I have the honour to be,

Sir,

Your most obedient servant,

B. Narasimhaiyengar

Director of Agriculture.

11.4.36

To,

The Chief Secretary to the Government of Mysore,
Bangalore.

Through,

The Director of Agriculture in Mysore,
Bangalore,

Through

The Deputy Director of Agriculture in Mysore,
Bangalore.

Respected Sir,

In response to the advertisement in the Mysore Gazette dated April 2, 1936, I beg to submit this, my application for the post of Probationary Overseer in the Gardens Department.

I am a graduate of the University of Mysore, having taken my B.Sc., Degree (Botany -main and Zoology-Subsidiary 1929)- Old Regulation, in second class and M.Sc.,(Botany)(1933) from the Central College, Bangalore. By caste I am a Sri Vyshnava Brahmin. My age is 29 years.

After graduation, I was appointed in January 1930 as Junior Assistant Botanist to work under Dr. M.A. Sampathkumaran in the Sandal Spike Investigation Scheme on Rs.75/-. During the period of nearly 2½ years in the Department of Botany, Central College, I qualified myself for the Master's Degree in Science, of the University of Mysore, offering as thesis my special work on "The Cytology and Morphology of Santalum album". This work has since been accepted for publication in the Journal of the Indian Botanical Society. In April 1932 I was transferred to the Mycology Section of the Department of Agriculture to work on the Mycological aspect of Sandal Spike. I continued to serve in this Section till July 1934, when the Sandal Spike Investigation Scheme was wound up. Afterwards I was entertained as Junior Assistant Mycologist, in temporary vacancies till January 1935. While winding up the Sandal Spike Investi-

gation

Investigation Scheme the Government were pleased to order that "the temporary establishment now thrown out be provided for in preference to others in filling up future vacancies in the several departments for which they are qualified", (vide copy enclosed).

When recommendations were sent up by the Chief Conservator of Forests to absorb me in his Department (October '34) the then President of the Central Recruitment Board and the Member in charge of the Forest Portfolio, was pleased to order that as the revised C.R.B. lists were being prepared my name should be placed high in the list. Accordingly my name was placed second in the C.R.B. list "A" of Rangers (vide G.O.Notification 6769.C.R.B. dated 2nd March 1935). In the hope of being absorbed in the Forest Department, I continued to work as a research student under Dr. V.K. Badam Deputy Director of Agriculture. During this period I was engaged in plant breeding and in the study of the cytology of some of the members of the Cucurbitaceae. Recently, Government in their Notification No.2883.C.R.B. dated 5th November 1935, have withdrawn the C.R.B. list of Rangers. As a result of this I find myself in a very awkward predicament, inspite of my putting nearly 5 years of service in Government.

When the "Red Leaf Scheme" financed by the Indian - Central Cotton Committee was started in December 1935, the Deputy Director of Agriculture was pleased kind enough to offer me a temporary post of Field Assistant in that -- Scheme. Thus I have been engaged in research work of a varied nature ever since I started service in Government.

I beg leave to bring to your kind notice, sir, that I am very well fitted for the post in the Gardens Department. My work in the Mycological Section will be of special service in the Gardens Department, as diseases play a very important part in the cultivation of plants. I am --

am thoroughly well acquainted with the methods of preparations and use of the several common fungicides.

I beg to remain,
Respected Sir,
Your most obedient servant,
G. Srinivasa Iyengar

Bangalore,

Central College,
Bangalore.
September 27,1934.

I have known Mr.G.Srinivasa Iyengar,M.Sc., for the past eight years both as a student in this Department and later as a research worker. In 1929 he took his B.Sc.,Degree(old regulation) and was placed second in rank in Botany. Eight months later he was appointed as a Junior Assistant Botanist in the Sandal Spike Investigation Committee and was working in this Department on the cytology and Life-history of Santalum album. The results of this research were submitted as a thesis for the M.Sc.,Degree Examination of 1933. His performance in the M.Sc.,Examination was to the entire satisfaction of the Examiners. I have a very good opinion of his capacity as a worker.

His conduct and character are excellent.

sd/ M.A.Sampathkumaran,
Professor of Botany.

Division of Mycology. 67 September 28,1934

Mr.G.Srinivasa Iyengar has been working in this section for the last 2½ years. Though he has been working with me mainly on the Spike Disease of Sandal,he made considerable progress i in learning phytopathological technique. consider him to be a good worker in research and one who could be entrusted with any work. He has had some experience in teaching at the Hebbal Agricultural School and a considerable experience in field work.

sd/ M.J.Narasimhan.
Mycologist.

Proceedings of the Govt. of His Highness the Maharaja of Mysore.

Read:-

Government order No.S.544-51/Ft.65-27-2-dated 9th September 1927 sanctioning a scheme for the investigation of Spike Disease affecting the growth of sandal wood trees in Mysore and the entertainment of the staff required for the several branches of the investigation for the period of three years.

2, Government Order No.G.391-97/Ft.124-29-4 dated 11th July 1930 sanctioning the continuance of the scheme and the establishment connected therewith for a further period of three years from 10th September 1930.

3. Government Order No.G.8645-9/Ft.209-32-9 dated 13th June 1933 sanctioning the continuance of the scheme and the establishment for a further period of three years from 10th September 1933.

Order No.G.8173-7/Ft.312-33-1 dated Bangalore the 6th June 1934.

In view of the imperative need for effecting economies in State expenditures, Government direct that this investigation may be stopped from 1st July 1934 and the temporary establishment now engaged on the investigation disbanded from that date, if the hands cannot in the meantime be absorbed in sanctioned posts. Government also direct that the hands who may now be thrown out of employment be shown preference in filling up future vacancies in the several departments for which they may be qualified.

to the Govt. of H. H. Maharaja of
Mysore,
Bangalore.

P/2-35-36

Sir,

With reference to your notification inviting applications for the posts of Probationers in the Horticultural Department, I beg to tender this my application for one of the said posts.

I have passed the B. Sc. Degree (under old Rules) Examination (1931) of the University of Mysore, with Zoology (Main) and Botany (Subsidiary) as my optional subjects. I am a Madhva Brahmin. My age is 24 years.

I worked as an Asst. Master on Rs 50/- per mensem for some months in the Govt.

High School, Chikballapur. I was thrown out of employment as the vacancy was otherwise filled up.

I worked as an Apprentice in the Entomological Laboratory of the Department of Agriculture, Bangalore, and then joined the Indian Institute of Science, Bangalore. After working there for about eight months, I had to give up my research work on account of financial difficulties.

Copies of testimonials are enclosed for kind perusal.

I request you to kindly consider my case and bestow on me one of the said posts.

Thanking you.

I beg to remain,

Sir,

Your most obedient Servant,

C. Ramachandra Rao

Address.

It affords me much pleasure to comply with this request and to grant this certificate to Mr. C. Ramachandra Rao, B.Sc., who graduated B.Sc. from the Central College, Bangalore, in 1931, with Zoology and Botany as his Special subjects. He comes of a highly respectable Mysorean family, many members of which I have known for many years. Mr. Ramachandra Rao is a keen student of Science and ought to make a good research worker. He is a young man of excellent parts and deserving of encouragement. Knowing him as I do, I feel no hesitation in saying that he is one of those who may be depended upon to do all that lies in their power to fully deserve the kindness and help extended to them. I wish him most sincerely every success in life

ff 2-35-37

Respected Sir,

With reference to the advertisement No.E.2658-G.G. 2-35-24 dated 1-4-36 in the Mysore Gazette dated 2-4-1936, inviting applications for the post of Probationary Overseers, in the Garden's Department;

I, K. S. Ramachandra Iyer, B.Sc., (Mysore) M.Sc., (Lucknow) beg to bring the following few lines for your kind consideration and favourable orders.

That I am the grandson of late K.K.Venkataswami Iyer, B.A., Tutor, Palace, Mysore, for about 20 years. That in recognition of the services of my late grand-father in the Palace and the Education Department, His Highness The Maharaja of Mysore was graciously pleased to sanction a life pension of Rs.25/- to my grand-mother and a stipend of Rs.3/- per mensem from my Vth Form upto my B.Sc., Degree for about 6 years.

That I am a First Class B.Sc., of the Mysore University of the year 1929 under the Old Rules with Botany as my Main subject and Chemistry as my Subsidiary subject.

That I was appointed as a Demonstrator in Botany on Rs.75/- per mensem (vide Govt. Order 4868-71 Uni. 20-30-4 dated 4-11-30; Vacancy No.792 of 28-29, C.R.B. vacancy No.6 of 29-30, Mysore University Registrar's letter No. 8376 dated 25th October 1929, C.R.B. Application S.No. 550), in the Central College, in the year 1929-30.)

That in the meanwhile I was given a Post-graduate

Scholarship of Rs.60/- per mensem from the Mysore University, for full two years, to do my post-graduate course in the Lucknow University.

That, I passed the M.Sc., Degree Examination of the Lucknow University in Second Class in 1932. After my return from Lucknow I was Kalavara Ramachandra Rao's Research scholar in Botany at the Central College, Bangalore in 1932-33 and worked on the "Root systems of some crop plants of Mysore.

That, I have passed the Registration and Revenue Higher of the Mysore Local Service and Pleaders' Examinations.

I have herein enclosed for your kind perusal testimonials given to me by my Professors at Lucknow and Bangalore regarding my character and ability.

That I am a Smartha Dravida Brahmin and my age is 27 years; my date of birth being 11th January 1909.

In consideration of my grand-father's approved service in the Education Department and his Loyal Service as Tutor in the Palace for about 20 years, my having been a Palace Scholarship holder and a University Post-Graduate Scholar resulting in my success with distinction in the B.Sc., Degree Examination of the University of Mysore, and M.Sc., Degree Examination of the Lucknow University, and my having served as a Demonstrator on Rs.75/- per month for about a year in that capacity at the Central College, Bangalore, I most humbly request you to select me as a Probationary Overseer in the Garden's Department, in the Mysore State Service.

Praying for your long life and Prosperity.

I beg to remain,
Respected Sir,
Your most obedient servant,
K.S. Ramachandra Iyer.

UNIVERSITY OF LUCKNOW.

BOTANY DEPARTMENT.

28th April 1932.

Mr. K. S. R. Iyer, (B.Sc., Ist Class, Mysore) joined this University in 1930 with a Mysore Government Scholarship for post-graduate study in Botany. During the two years, I have known him he has worked regularly and conscientiously, and has been one of the best men in the Class. He has shown great ability both in his reading and laboratory work, and has fully justified the high expectations he originally promised.

I believe Mr. Iyer to the exceptionally well qualified both academically and temperamentally for a career of teaching or research. I can therefore say with confidence that any encouragement which the Mysore Government can given him in the form of a Scholarship or a teaching post would be fully justified.

Mr. Iyer has been very popular at Lucknow and has my best wishes for the future.

Respected Sir,

In response to your advertisement inviting applications for the posts of Probationary Garden Supervisors, I beg to offer myself as a candidate for the same and submit the following few lines for your kind consideration and favorable orders.

I am a graduate (B.Sc. Degree Examination with Zoology (main) and Botany (Subsidiary) as optional subjects) of the university of Mysore. After graduating, joined the Mysore Agricultural Department and worked under the late Dr. Kunhikannan, Entomologist to the Government of Mysore. After nearly a year's research work, I was appointed as the Insectary Assistant by the Forest Entomologist, Dehradun, (on Rs 100/- per mensem), in connection with the Spike Disease Investigation, conducted under the joint auspices of the Forest Research Institute, Dehradun, and the Indian Institute of Science, Bangalore for the Government of Madras. The Spike Disease Investigation having closed I was thrown out of employment. Later, I joined the Department of Bio-chemistry at the

Indian Institute of Science, Bangalore and worked on the "Virus bodies in Spiked Sandal" under the direction of Dr. V. Subrahmanyan. D.Sc. F.I.C. who favoured me with a Short time Scholarship

During my service as Insectary and Laboratory Assistant, I have gained considerable experience in (a) Field collections, quantitative and qualitative. (b) Study of the important Flora associated with Sandal, (c) Lifehistory Studies of the important insect fauna of Sandal, and (d) Maintenance and organisation of an Insectary and laboratory

I have herewith enclosed the copies of testimonials which speak of my ability and character. Copies of testimonials from (1) Professor C.R. Narayana Rao M.A L.T. Professor of Zodogy Central College, Bangalore, (2). Dr. C. F. C. Beeson, D.Sc F.E.S., Forest Entomologist, Forest Research Institute, Dehradun, (3) Mr. N.C. chatterjee B.Sc. F.R.E.S. Assistant Forest Entomologist. Dehradun, (4) Mr Cedric Dover F.E.S. Assistant Forest Entomologist. Dehradun, and (5) Dr. V. Subrahmanyan. D.Sc. F.I.C. Professor of Biochemistry, Indian Institute of Science, Bangalore are herewith enclosed for favour of your kind perusal.

I request you to kindly give me the opportunity to serve your noble self and prove myself to be a worthy selection for the appointment.

Awaiting your kind and favourable orders,

I beg to remain,
Respected Sir,
Your most obedient Servant,
Mathanna.

Bangalore.

UNIVERSITY OF MYSORE.

Bangalore, 17-7-1930.

Mr. C.R. Narayana Rao, M.A.,L.T.,
Professor, Zoology,
Central College.

This is to certify that Mr. Appanna, B.Sc., was student in my department during the years 1927-30. He appeardd for the B.Sc., Degree Examination of our University with Zoology for his main subject and has qualified himself for the degree. He was easily the best student of his class and throughout held the first place securing a merit scholarship in the final year class. I am confident that the class he has secured does not adequately represent his acquaintance with the subject he has studied, and his failure to get a first class is entirely due to causes beyond his control. I have always been very favourably impressed with his work. His enthusiasm for work, his earnestness his gentlemeanly behaviour and conduct and above all his most unassuming nature certainly make him a very valuable asset to any department. I wish him all success in life..

Sd. C.R. Narayan Rao,
Professor of Zoology.

Office of the Entomologist,
Forest Research Institute and College,
Dehra Dun, the 22nd January 1934.
(New Forest P.

Certificate.

Mr. M. Appanna, B.Sc., was temporarily appointed to the staff of the Forest Entomologist, Forest Research Institute, Dehra Dun between March 1931 and October 1933 in connection with the investigation of the spike disease of sandal in Madras. His servic were terminated at the conclusion of the investigation.

Mr. Appanna was placed in charge of a field insectary in the Salem forests, Madras, and later was employed in the Insectary and entomological laboratory at the Indian Institute of Science, Bangalore, under my direction. During this period he acquired considerable experience in field work and insectary management, and carried out his duties with enthusiasm and ability.

He has the makings of a very capable entomologist and I hope circumstances will allow him to make entomology his profession. I should have no hesitation in re-employing him on my staff were a suitable post vacant.

Sd. C.F.C. BEESON.
Forest Entomologist.

Mr. M. Appanna, who has been employed by the Forest Research Institute, Dehra Dun as an Entomological Assistance since the beginning of 1931, has been working directly under me since May 1932 on an entomological investigation of the spike disease of sandal. His duties have involved field collections, virus ~~xxxx~~ transmission studies, all the routine work associated with the ~~xxxxxxx~~ maintenance of insectary and laboratory. I have always found him willing, intelligent and and greatly interested in his work, and I have pleasure in recommending him for any similar ~~x~~ appointement for which he may apply.

His present appointment has been terminated because of the cessation of the Special grant under which he was employed.

The Insectary,
The Indian Institute of Science,
Bangalore, Sep. 30th 1933.

I first came to know Mr. M. Appanna through the late Dr.K. Kunhi Kanan, Government Entomologist, Mysore, in 1930. Mr. Appanna worked with me during the course of the Entomological investigations on the spike disease of sandal and I have great pleasure in giving the testimonial of the good work done by him under me.

He has gained a good acquaintance with field and experimental entomology and his records and observations I have always found to be accurate. He is a sincere and willing worker and can be trusted to take up responsibilities I recommend Mr. Appanna to all institutions requiring the services of a trained man for bioligical investigations. He comes from a good family and I have always found gentlemanly in his bearings.

Department of Biochemistry,

Dated, 21st July 1934.

Ref; 1118/75.

Mr. M. Appanna, B. Sc., (Mysore) was a Research Assistant in t Insectary attached to this department from October 1930 to Septembe 1933. After the termination of the spike disease Investigation in October 1933 Mr. Appanna joined this department as Regular Resea Scholar and was working for a short period on the bodies associated with the spike disease of sandal. After completion of that piece of work, he left us early this year with the object of securing appointment in his particular line.

Throughout the period of his association with us, Mr. Appanna whowed that he was a keen and conscientious worker. His researches have resulted in a few memoirs both by himself and in association with others. Not being an Entomologist myself, I am not in a position to discuss Mr. Appanna's work, but I have no doubt that the research papers submitted by him in support of his candidature will speak for themselves.

I have found Mr. Appanna will behaved student. His conduct has been an example to others. I have no doubt that given the right opportunities, he will prove a success in his line.

Bangalore.

To

A.V.Ramanathan, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore

Sir,

In forwarding herewith the application of Mr K.Deju Shetty, temporary Overseer on Rs 60/- p.m. for the post of the Probationer - in the Gardens Department, I have the honour to state that the applican -t possesses Agricultural qualification of the Madras University and - he is not an Honour's Graduate. He was tried both in the outdoor and in the Office and ~~was~~ not found to be quite efficient in the ---- management of his work and he was unable to control labour. It was also found that he was not keen enough to take interest in his work. In these circumstances, I regret ~~to~~ I cannot recommend him for the Probationer's place, as the work to be entrusted to the Probationer is of special nature viz Plant Breeding, it requires advanced knowledge of Botany.

I have the honour to be
Sir
Your most obedient servant,

~~Offg~~ Superintendent

Enc. 403

98

To

The Chief Secretary to the Government of

His Highness the Maharaja of Mysore, Bangalore

(Through the Superintendent, Govt. Gardens in Mysore, Bangalore

Respected Sir,

In response to the Government Notification No.A.200 P.G. 2-35-25 dated 1st April 1936, I beg to submit my formal application for the appointment for which applications have been called for.

In this connection, I beg to state that I am already an employee of the Department getting a pay of Rs.60/- in a vacancy caused by the transfer of an official to Palace Service. I was recruited 3 years ago through the C.R.B. as a Garden Overseer in which capacity, I have been working eversince to the full satisfaction of my superiors. Though not exactly an Honours' Graduate as required in the Notification, I am a B.Sc., in Agriculture of the Madras University coming out of the Coimbatore College with Agricultural Botany including Mendelism & Higher Botany as my subjects. Besides, during the College Course, I had enough of practical training in Plant Breeding work in the various breeding stations thereof as such, I feel that my qualification does not fall short of the requirement in the Notification.

While, Graduates, already in service in the Department, -- possessing the required qualification and recruited through the C.R.B. naturally expect to be confirmed as vacancies occur in preference to those subsequently recruited, the present notification assuring permanent appointment, as vacancies occur to -- those, recruited thereunder, has unfortunately given rise to a natural fear in my mind that claims for confirmation of myself and other similarly circumstanced in the Department, may be -- overlooked to provide means for confirming the coming recruits. The enclosed application for appointment is therefore included

included to guard against such fears and I request that I may be kindly regarded as a Probationer O.C.D. in the appointment in which I am at present borne&without prejudice to my present pay. By doing so, You will be graciously assuring me of a chance of confirming in the future permanent vacancy in priority to those subsequently recruited.

Trusting this will meet with your favourable consideration and orders.

I beg to remain,
Respected Sir,
Your most obedient servant,

K. Rajashetty
Overseer

101

AMIN-UL-MULK SIR MIRZA M.ISMAIL, K.C.I.E.,C.I.E.,O.B.E.,
Dewan of Mysore, B A N G A L O R E.

Respected Sir,

I, the undersigned humble petitioner, respectfully beg to submit the following appeal in connection with the selection of -- Probationers in the Government Gardens Department for favour of your gracious consideration.

Driven to ~~the~~ extreme poverty and hardship on account of unemployment for the past four years, I beg to state Sir, that I joined the Government Gardens Department, last year, as an Apprentice and qualified myself technically with the sole idea of finding a place either in the Department itself or in the Fruit-Culture-Scheme, the sanction for which is still awaited from the Government of India.

I beg to state further that during the period of my apprenticeship in Lal-Bagh for nearly one year, I underwent practical training in Horticulture in all its aspects and in general Fruit-Culture. I have also gained much practical experience of growth and cultivation of fruit trees especially having visited at my own cost many important Fruit Orchards in the State, both Government and - private.

I beg to add in this connection, that my case has strongly been recommended twice to Government for favourable - - consideration by the Superintendent, Government Gardens, Bangalore.

Under the above circumstances of my being an Honours Graduate in Botany and a fully trained hand of the department and in view of my being a family man in trouble unemployed for four long years, I humbly pray that my case may kindly be considered for one of the two appointments of Probationers.

For this act of mercy, I shall, in duty bound, ever remain deeply grateful to you.

I beg to remain,
Respected Sir,
Your most obedient servant,

S. Narasinga Rao

Bangalore city.

Bangalore city.

Mr.M.K.SITARAM CHETTY,ESQ,
OFFICIATING SUPERINTENDENT,

GOVERNMENT BOTANICAL GARDENS,
BANGALORE, DATED ...

This is to certify that Mr. S.Narasinga Rao, B.Sc.(Hons) (Botany and Zoology) has completed his training in Horticulture at the Government Botanical Gardens, Bangalore. He has acquired a fair knowledge of the principles and operations of general - gardening including its pests and diseases and his mastery over the technique of nursery operations of both ornamental and - - vegetable gardens is in my opinion perfect. He is also well-versed in the different aspects of farm-yard technique such as cultural and manurial experiments, seed-testing, varietal-plot-testing, Hybridization etc.

He has ~~marked~~ visited almost all the important fruit orchards in the State, and is now making a special study of fruit culture.

He is a highly intelligent and practical student, and I can confidently say that given an opportunity, his services should prove of exceptional value. It is indeed a pleasure for me to recommend this young ~~man~~ and deserving man for a suitable plac in the Departments of Horticulture, in any one of the several - Native States.

His character and conduct are exemplary.

(Sd) M.K.Sitaram Chetty,

Dept concerned

TO

SIR SREE KRISHNARAJA WADIYAR BAHADUR, G.C.S.I, G.B.E.,

MAHARAJA OF MYSORE,

M Y S O R E.

MAY IT PLEASE YOUR MOST GRACIOUS HIGHNESS,

That I , K.S. Ramachandra Iyer, M.Sc., (Lucknow) most humbly beg to bring the following few lines for your gracious Highness's benign consideration and favourable orders.

That I am the grandson of Lat K.K.Venkataswami Iyer, B.A., Tutor, Palace, Mysore. He served in the Palace for about 20 years and died in 1923, in almost poverty and purity involved in debts, making no provision whatever for his dependants except trusting them to Your Beloved Highness's benevolent and generous support, as he cherished and even gave expression on his death-bed.

I am an orphan totally forsaken by every-body. To my misfortune, I lost my grand-aunt Sri K.Subbamma, B.A., the late Head Mistress of the Maharani's High School and her efforts to benefit the members of my family with her assets turned futile.

That I am further fully alive to my sense of gratitude and loyalty to Your gracious Highness, for various acts of charity and generosity extended to the members of my family for some generations not to speak of Your Highness's life-pension of Rs.25/- per mensem to my grand-mother and Rs.3/- per mensem to me for about 6 years from my Vth Form

118

Form up to B.Sc., Degree Examination.

That I secured A First Class in the B.Sc., Degree Examination of the Mysore University with Botany as my special subject in the year 1929. Subsequently I was employed as a demonstrator in the Central College, Bangalore for about a year on Rs.75/- per mensem, and was offered a Post-Graduate Scholarship of Rs.60/- per mensem from the University of Mysore. I studied for M.Sc., Degree Examination for two years in the Lucknow University and secured a creditable Second Class in the M.Sc., Degree Examination of 1932. I was a Kalavar Ramachandra Rao's Research Scholar in the Central College, for the year 1932-33.

I have herein enclosed for Your gracious Highness's perusal testimonials given by my professors at Lucknow and Bangalore, regarding my character and attainments.

I am now 27 years old my date of birth being 11th January 1909 and without any employment. Even the appointmen held by me before my going to Lucknow for Post-Graduate Course is not given to me after my return. I am helpless, but for a ray of hope to serve in the State in the footsteps of my grand-father.

In consideration of my grand-father's approved service in the Education Department and his Loyal service as Tutor in the Palace for about 20 years, my having been a Palace Scholarship holder and a University Post-Graduate Scholar resulting in my success with distinction in the B.Sc., Degree Examination of the Mysore University and M.Sc., Degree Examination of the Lucknow University, and my having served as a demonstrator on Rs.75/- per month for about a year in that capacity at the Central College, Bangalore, I most humbly request Your gracious Highness to bestow upon me a

119

a Probationer's post either in the Revenue or in the Forest or in the Horticultural or in the Police department or to appoint me as a Lecturer or as a Demonstrator in Botany, in the University or as an Assistant Botanist in the Department of Agriculture.

For which act of kindness I shall ever pray for Your Highness's long-life and happiness.

I most humbly beg to remain,

Your gracious Highness's humble and loyal servan

K.S. Ramachandra Iyer.

UNIVERSITY OF LUCKNOW.

Botany Department.

28th April 1932.

Mr. K.S.R. Iyer, (B.Sc., Ist Class Mysore) joined this University in 1930 with a Mysore Government Scholarship for post-graduate study in Botany. During the two years, I have known him he has worked regularly and conscientiously, and has been one of the best men in the Class. He has shown great ability both in his reading and laboratory work, and has fully justified the high expectations he originally promised.

I believe Mr. Iyer to the exceptionally well qualified both academically and temperamentally for a career of teaching or research. I can therefore say with confidence that any encouragement which the Mysore Government can give him in the form of a Scholarship or a teaching post would be fully justified.

Mr. Iyer has been very popular at Lucknow and has my best wishes for the future.

Mr. K.S. Ramachandra Iyer had been a student of mine for the last two years. He has just passed his M.Sc., Examination in Botany from this University in the IInd Division.

Mr. Iyer has always impressed me as a young man of great ability in his subject. He always secured very high marks in his class examinations. I consider him to be a very suitable person for a job in any educational institution. But I shall feel still more happy if he is given an opportunity of carrying on research in his subject. A man like Mr. Iyer can be strongly recommended for a scholarship to enable him to do research.

He is a man of quiet disposition and amiable manners. He bears exemplary moral character. I know that he kept himself entirely aloof from all movements subversive of law and order.

I wish him every success in life.

Dewan of Mysore,

B A N G A L O R E.

Respected Sir,

I, K.S.Ramachandra Iyer, B.Sc.,(Mysore), M.Sc.,(Lucknow), most humbly beg to submit the following few lines for your gracious consideration:--

I am the grandson of Late Mr. K.K.Venkataswamy Iyer, B.A., Tutor, Palace, Mysore. He served in the Palace for about 20 years and died in 1923.

I am further fully alive to my sense of gratitude and loyal to our Highness, the Members of the illustrious Royal House, and to you, for the various acts of charity and generosity extended to the Members of my family for some generations not to speak of Our Hidhness's life-pension of Rs 25/- per mensem to my grand-mother and Rs 3/- per mensem to me for about six years from my Fifth Form upto my B.Sc., Degree Examination.

I secured a First Class in the B.Sc., Degree Examination of the Mysore University with Botany as my Special subject in the year 1929. Subsequently I was employed as a Demonstrator in the Central College, Bangalore, for about a year on Rs 75/- per mensem, vide Govt. Order 4869-71 Uni 20-30-4 dated 4-11-30 (Vacancy No. 792 of 28-29, C.R.B. Vacancy No. 6 of 29-30. Mysore University Registrar letter No. 8376 dated 25th October 1929, C.R.B. Application No. 550.

During the above period I was offered a Post-Graduate scholarship of Rs 60/- per mensem from the Mysore University. I studied for the M.Sc., Degree in the Lucknow University and passed that Examination creditably, in Second Class, in the year 1932.

After my return from Lucknow I was awarded the Research Scholarship of Kalavar RamachandraRao and I conducted Research work in the Central College, Bangalore during the year 1932-33.

133

Now applications are invited for the post of Probationary Overseers in the Garden's Department by the Chief Secretary to the Government of Mysore, in No. E. 2653-G-G.2-35-24 dated 1-4-36 in the Mysore Gazette of 2-4-36. I possess the requisite qualification and I have applied for the same.

I herein submit for your kind perusal copies of the testimonials which I have got from my Professors at Lucknow and Bangalore regarding my character and attainments. I am now 27 Years old, my date of birth being 11th January 1909.

In consideration on my Grand-father's approved services in the Education Department and his loyal service as Tutor in the - Palace, Mysore, for about 20 years, my having been a Palace scholarship holder and a University Post-Graduate and Research scholar and my having served as a Demonstrator for Rs 75/- per mensem for about a year, in that capacity, at the Central College, Bangalore, I most humbly request you to kindly appoint me as a Probationary Overseer in the Garden's Department.

For this act of kindness, I shall ever pray for your long life and prosperity.

I beg to remain,

Respected Sir,

Your most obedient Servant,

K.S. Ramachandra Iyer

Sir,

With reference to your letter No.E 3005/G.G. 2-35-43 dated 29-4-1936 requesting me to select and recommend the names of the best Non-Brahmin and three Brahmin candidates for the appointment of Probationary Overseers in the Gardens Department, I have the honor to report that out of 18 applicants, it was necessary to weed out 11 applications as not having the required Botany Honours --- qualifications. I sent for the remaining seven candidates and interviewed them. As a result, I have the honor to recommend the following names :-

1. Non-Brahmin :- Mr. Prem Singh, B.Sc.(Hons) ! Reg T

Three had applied and only one candidate had the required qualificatio and was already recommended by me.

Brahmin:- 1. Mr S.Narasinga Rao, B.Sc.(Hons) ..... Reg T
2. " G.Sreenivasa Iyengar, M.Sc. ..... U
3. " K.S.Ramachandra Iyer, M.Sc. V

I understand that No.2 is already employed in the Agricultural --- Department under the Red Leaf Scheme. No.1 has previous experience of work in this Department and had been already recommended by me. He ~~appears~~ appears to be best of the three and possesses better physique and active habits necessary for outdoor work than two others. He can also handle labour well. He was Honorary Secretary of the Botanical Society of the University.

I have the honor to be
Sir
